

Welcome!

Community Catalysts of California is a nonprofit 501(c)(3) public benefit corporation that has offices throughout California and serves over 1,000 individuals with developmental and other disabilities including autism, cerebral palsy, seizure disorders, or wheelchair dependency. We provide training and support services including employment, housing and daily living skills. Our organization is committed to making positive changes in the lives of our consumers.

We are catalysts helping people with disabilities achieve a higher quality of life. Please join us in making a difference and be a catalyst for change in your community!
